**STRUCTURAL STABILITY CERTIFICATE**

Certified that the building of Ramjas School located at Anand Parbat New Delhi-110005 having two wings namely upper wing and lower wing. The Upper wing is comprised of Ground Floor only, and Lower wing is comprised of Ground floor plus one upper floor.

The school building was inspected by the undersigned as Structural Engineer in the presence of the Manager and I visually inspected the whole building. It is certified that there is no deflection in beams, slabs and load bearing walls at any point.

Since there are no cracks in beams, columns and load bearing walls at any point. Therefore the existing building is capable of all resisting forces and movement of Natural Hazards.

Hence the school building is safe as on today, and fit for occupancy of classes for three years.
