SUMMER VACATIONS HOLIDAY HOMEWORK
GRADE – I

Welcome to the summer holidays!

As we embark on this exciting break, I want to ensure that our young learners continue to grow and explore even outside the classroom. Below is the list of and engaging activities for your child to complete during summer break.

General instructions:

- Parents are requested to encourage their ward to do their homework independently.
- Creativity and originality of the work will be appreciated.
- Homework should be done neatly on separate A4 size sheets and should be kept in labelled folder.
- Revise all the work done in class.
- Make your child learn your Phone number and spelling of parent's name.
- Encourage your child to read atleast 10 minutes everyday (English & Hindi).
- Make a separate notebook of all subjects for holiday homework.
- Limit screen time and encourage outdoor activities, promote creative imagination and social interaction.
