

**RAMJAS SCHOOL, ANAND PARVAT, NEW DELHI – 110005**

**SUMMER HOLIDAY HOMEWORK (SESSION 2025-26)**

**CLASS I**

**Dear Parents ,**

We wish you and your child a very happy summer holiday. It's time to enjoy and create a bond with family, friends, and relatives. To utilize this time in the most constructive way, we have prepared Holiday Homework for the students on the principle of “learning by doing” for their holistic development. Kindly ensure that the holiday homework is completed by the students under the guidance of the parents.

❖ **Physical Development:**

- ❖ Take your child with you for a morning or evening walk.
- ❖ Play different games like hide and seek, football, ludo, chess, etc. with your child. This will encourage them to express themselves freely and will make them more responsible.

❖ **Language Development:**

- ❖ Encourage your child to converse in English.
- ❖ Let your child choose any one object from the surroundings every day and speak a few lines on it to develop their speaking skills.

We are positive that the combined endeavours will bring about the desired all round development of your child.

# ENGLISH

1. Write A to Z in small and capital cursive handwriting weekly.
