SUMMER HOLIDAY HOMEWORK (SESSION 2025-26)

CLASS III

Dear Parents

As the summer holidays begin, we encourage students to make the most of this time by completing the assigned homework. The purpose of the homework is to help students reinforce the concepts learned throughout the year, enhance their skills, and keep their minds active during the break.

Parents are kindly requested to ensure that their child completes the homework on time and with dedication. We recommend a balanced schedule for study, play, and relaxation to maintain a healthy routine.

Thank you for your continued support and cooperation in making this holiday season both enjoyable and productive for your child.
