The summer vacation, this time would be ice creams, candies and cool pool, but time can in honing skills and interests. It is better to bloom, than to be a bud, and you are

responsible young members of the nation and it's your duty to follow rules. Here are

some holiday activities designed for creative utilization of time. Give flight to your

imagination and spend time with a purpose. This summer vacation, the holiday

homework is designed by the mentors of the school as a medium for you all to achieve

the motto of 'Fun and Learn'

· <u>**REMEMBER**</u>

-Neatness and hygiene are part of your routine.

- Holiday homework is a part of subject enrichment and will be assessed on the basis of creativity and efforts of the students.

- It's a perfect time to enhance your speaking skills and vocabulary by conversing in English with your family and siblings.

- Reading is essential for those who seek to rise above the ordinary. Spend your quality time reading motivational books.

- A beautiful handwriting makes a good impression. Practice one page of English and Hindi writing daily.

- Schedule your time for activities so that there is no piling up at the last moment.

- Holiday homework should be your authentic creative work.
