SESSION 2025-26

Dear parents,

Summer Vacation! A long time to rejoice and recreate for all children. It is an appropriate period when the parents spend quality time with their children and try to discover their hidden potential, to realize their talents and raise their self esteem.

1. Help your ward inculcate good habits such as wishing elders "Good morning", "Good night" and welcoming the guest with a smile and receiving smile back.
2. Take your ward for outing and fun. Try to spend maximum time with him or her and develop an everlasting bond.
3. Expose your ward to good T.V. programmes in English e.g. shows on Discovery Channel, Animal Planet etc.
4. Encourage your ward to converse in short sentences in English by beginning: "Please give me water", "May I help you?", "Please listen to me", encourage using magic words such as "Hello", "Sorry", "Pardon", etc.
5. Encourage your ward to draw and colour simple pictures with oil pastels like boy / girl, house, sun, butterfly, flowers etc.
